

Life Spectrums presents its
Spring Awakening Event

Saturday, March 13 and Sunday, March 14, 2010

**Harrisburg Holiday Inn & Conference Center
New Cumberland, PA**

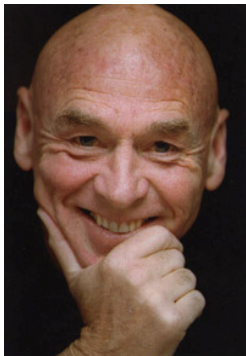

Life Spectrums invites you to join us for a weekend event to awaken your spirit, raise your energy, and bring together this special community. We have two terrific presenters to choose from: Julia Rogers Hamrick and James Wanless. *And, of course... entertainment by Laraaji!*

Choosing Easy World: How to Opt Out of Struggle and Strife and Live in the Amazing Realm Where Everything is Easy –

Julia Rogers Hamrick

Escape the snares of Difficult World by choosing to live in Easy World, the original reality matrix in which you were designed to thrive. Learn all you need to know to create your life in the higher-vibrational realm where everything is continually working together to support your highest possibilities for well-being and joy!

Voyager Tarot Coaching – **James Wanless, Ph.D.**

We all have visions and dreams, issues and challenges. It is difficult, if not impossible...to realize them alone. Nor can we solve them by our old habitual way of thinking and acting. Voyager Tarot Coaching gives you an ever present ally – a coach and breakthrough tool for tapping the wellspring of your inner resources and navigating your life to wholeness – happy, healthy, holy and wealthy.

Deeper than a one session reading and rather than fortune-telling, Tarot Coaching is “fortune creation” – a proactive tool for realizing your visions and dreams.

This results-oriented process is based upon the universal tarot “map of life” which enables you to manifest intentions in a wholistic and archetypal way.

Awakening as This Most Celestial Energy Field – **Laraaji**

Join us as we awaken even further through an evening of beautiful Celestial Music expression, hilarious Laughter Meditation and Vertical Love Transmission with Doctor Love. Be very prepared for a most heart opening, energy-harmonizing experience.

SWAMI LARAAJI NADABRAHMANANDA is a Celestially Inspired presenter and a planetary Bliss musician and Laughter teacher. From his home in New York City, he lives a lifestyle of inner contemplation and outer celebration. Laraaji is a long-time friend and presenter at Life Spectrums conferences, where his presence and gifts have touched many people on multiple levels.
